EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Roche on 7 November 2006.

The application has been amended as follows:

Claim 1 has been replaced with:

1. A software product comprising:

a computer readable storage medium having flow control software stored thereon;

the flow control software, when executed by a processing system, directs the processing system to determine a delay variation between at least a first link and a second link, control a communication system to route user communications over the first link if the delay variation is within a maximum threshold, control the communication system to route the user communications over the second link if the delay variation exceeds the maximum threshold, and adjust the maximum threshold in response to the delay variation.

Claim 14 has been replace with:

14. A communication system comprising:

a communication processing system to route user communications over a first link or a second link in response to control signals; and

a flow control system to determine a delay variation between at least a first link and a second link, generate the control signals to route user communications over the first link if the delay variation is within a maximum threshold, generate the control signals to route the user communications over the second link if the delay variation exceeds the maximum threshold, and adjust the maximum threshold in response to the delay variation.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jordan Hamann whose telephone number is (571) 272-8564. The examiner can normally be reached on Monday-Thursday 8:30-5:30 and alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chau Nguyen can be reached on (571) 272-3126. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
